歡迎東方足球隊  
東方足球隊，在這次比賽中，表現得極其出色。他們不僅在技術上有了長足的進步，而且在戰術上也顯得更加成熟。他們的進攻非常有章法，防守也非常穩固。在這次比賽中，他們一共攻入了五個球，而只被對方攻入了兩個球。這充分說明了他們的實力已經有了顯著的提升。我們希望他們在未來的比賽中，能夠繼續保持這種良好的狀態，為東方足球隊爭光。

道德條件  
在這次比賽中，我們看到了許多優秀的球員，他們不僅在技術上有着過人的天賦，而且在道德品質上也表現得非常出色。他們在比賽中遵守規則，尊重對手，展現出了高尚的體育精神。這種道德條件是成為一名優秀球員所必需的。我們希望廣大青少年能夠從這些優秀球員身上學到一些東西，不僅在技術上要不斷努力，更要在道德品質上不斷修養，成為一名真正優秀的運動員。

## DR. SUN REVIEWS TRIP TO SIKANG

A three-months trip in Sikang was reviewed by Dr. Sun Wen-yu, of the Agricultural Economics Research Society of the University of Nanking, at the Memorial Service in Yenching University on November 15. He has been to Sikang with Dr. Johnson, a Specialist in animal herding on an investigational trip last summer vacation.

He stated that cattle, sheep and horse were largely bred in Sikang, and the people were actually living on them. However in the early spring of every year, the domestic animals were constantly under threat of being starved to death due to lack of grass for two or three months, and animal plagues prevailed at the same time. This problem, he thought, would be solved by storing great quantities of grass during the summer.

With respect to the quality of the animals he suggested that cattle and sheep of American breed were worth while bringing into the province as they produced more milk and wool, and under the guidance of a specialist of animal herding, Sikang would become prosperous in the future.
